If you are in need of social services or other support during this Coronavirus public health emergency, the City of Bristol is here to help.

The hotline is for residents who are confined to their home, the disabled, those who are elderly and at risk if they go to the grocery store or to pick up a prescription, people with transportation issues, families who can't reach the School Food Distribution Sites, and other situations.

Call and leave a message with your name, phone number (email if applicable) and your specific need. A volunteer who has been screened by the Mayor's Office will be matched with you to assist you with your request.
