BRISTOL ANNOUNCES 2020 FALL PAVING PROGRAM

BRISTOL, CT) – The City of Bristol's Public Works Department has released its schedule for the 2020 fall paving program which will be completed in two phases. "The initial phase consists of milling off the existing bituminous pavement of the road. The second phase consists of installing a new bituminous roadway surface and will start shortly after the first phase," said City Engineer Nancy Levesque. "Once construction is complete, the City will repair any affected driveway aprons."

The 2020 fall roadway resurfacing program is scheduled to begin on August 11, 2020. As part of the program, the following streets will be milled and then resurfaced:

North Main St. (School St to Laurel)	Andrews Street
Mines Road (Stafford to Arrowhead)	Evelyn Road
Poitras Road (Village to Redstone)	Aldbourne Drive
Ashover Lane	York Street
Pennwood Place	Joseph Street
Allen Street	Litchfield Lane
Danbury Lane	Goshen Court
Ingraham Place	Nestico Court
Reilly Place	Ingraham Street
Tuttle Street	Howard Avenue
Barnum Road	Bishop Street
Pheasant Run Road	Kozani Street
Quail Hollow Lane	

"There may be minor traffic delays during construction, however roads will remain open for mail delivery, emergency vehicles, and local traffic at all times," said Mayor Ellen Zoppo-Sassu. "Temporary "No Parking" signs will be posted as needed during construction."

Questions or concerns about these projects should be directed to the Public Works Engineering Division at 584-6125.
