EVERSOURCE GAS TO INSTALL GAS LINES

The City of Bristol announced that Eversource Gas is scheduled to start installation of a gas line on Tuesday, January 26th in the neighborhood which includes Crown Street, Earl Street, Judson Avenue and Melrose Street.

The hours of construction will be 7:00 AM to 4:30 PM Monday through Friday and occasionally on Saturdays. Work is weather dependent and construction activities are subject to change.

Residents who are interested in obtaining information regarding the project should contact Chris Tralli, of Eversource Energy at 860-302-6024 or Jesse Arsenault, construction superintendent of NPL, which is the contractor hired by Eversource to do the project, at 203-673-8508.
