The Bristol Hunger Action Team Wants to Hear from Bristol Residents

Bristol residents who complete the survey before October 31 will be entered into a raffle to win a \$25 grocery store gift card.

(BRISTOL, CT October 5, 2021) – The City of Bristol in partnership with Connecticut Foodshare are encouraging Bristol residents to complete the Bristol Hunger Action Team (HAT) community-wide survey to identify gaps in information and barriers to services for Bristol residents. The five-minute, multiple-choice survey will anonymously evaluate Bristol residents' awareness of local resources and identify barriers to accessing them.

Bristol residents who complete the survey can be entered into a raffle to win a \$25 grocery store gift card. The gift card will be raffled off every week. The survey is anonymous, and an email address or phone number will be needed to alert the winner.

The survey can be accessed virtually at <https://form.jotform.com/212424890587160> as well as on the Bristol HAT Facebook page, www.facebook.com/BristolHAT or by using the QR Code below. The survey will close at midnight on October 31st.

QR Code to access the survey:

“We are thankful to our Bristol Service Providers and community organizations who helped craft the survey. Connecticut Foodshare is happy to provide a grant for the grocery store gift cards in order to give Bristol residents an incentive to complete the survey,” stated Sarah Hill, Community Coalition Builder for Connecticut Foodshare and Facilitator of Bristol HAT.

ABOUT THE BRISTOL HUNGER ACTION TEAM:

The Bristol Hunger Action Team is a group of community members and service providers that develop and implement local solutions to empower our neighbors to be food secure.
